

BeautyHealth To Now Report Fourth Quarter and Full Year 2023 Financial Results on March 12, 2024

Feb 29, 2024

LONG BEACH, Calif.--(BUSINESS WIRE)--Feb. 29, 2024-- The Beauty Health Company (NASDAQ:SKIN), home to flagship brand Hydrafacial™, today announced it will now report fourth quarter and full year 2023 financial results on Tuesday, March 12, 2024, rather than on February 29, 2024, as initially announced. The Company will share results during an investor conference call and webcast at 4:30 p.m. ET on Tuesday, March 12, following a press release detailing the results.

A live webcast of the call can be accessed on the Company's investor relations website at <https://investors.beautyhealth.com>, along with supporting materials. A recording of the call will become available on the site approximately three hours after its conclusion.

The Company has determined that it is unable, without unreasonable effort or expense, to file its Annual Report on Form 10-K for the year ended December 31, 2023 (the "Annual Report") on February 29, 2024. Additional time is required for the Company to prepare the Annual Report and complete its customary closing process and review accounting procedures for the year ended December 31, 2023. As a result, the Company will file Form 12b-25 with the U.S. Securities and Exchange Commission on February 29, 2024, providing the Company a fifteen-day extension to file its Annual Report from the day such report was originally due.

Disclosure Information

The Beauty Health Company announces material information to the public through a variety of means, including filings with the Securities and Exchange Commission, press releases, public conference calls and on its investor relations website (<https://investors.beautyhealth.com>) as means of disclosing material non-public information and for complying with its disclosure obligations under Regulation FD.

About The Beauty Health Company

The Beauty Health Company (NASDAQ: SKIN) is a global category-creating company delivering millions of skin health experiences every year that help consumers reinvent their relationship with their skin, bodies and self-confidence.
