Item 1.01 Entry into a Material Definitive Agreement

On December 30, 2021, Edge Systems LLC, a California limited liability company (the “Borrower”) and an indirect wholly owned subsidiary of The Beauty Health Company (the “Company”), as borrower, entered into a Credit Agreement (the “Credit Agreement”) with Edge Systems Intermediate LLC, an indirect wholly owned subsidiary of the Company and the direct parent of the Borrower that holds the Company’s foreign and domestic operating entities, and The Hydrafacial Company Mexico Holdings, LLC, a direct wholly owned subsidiary of the Borrower that conducts the Mexican business operations, as guarantors (the “Guarantors” and, together with the Borrower, the “Loan Parties”), and JPMorgan Chase Bank, N.A., as administrative agent.

The Credit Agreement provides for a \$50 million revolving credit facility with a maturity date of December 30, 2026. In addition, the Borrower has the ability from time to time to increase the revolving commitments or enter into one or more tranches of term loans up to an additional aggregate amount not to exceed \$50 million, subject to receipt of lender commitments and certain conditions precedent. As of the date of this Current Report on Form 8-K, the Credit Agreement remains undrawn and there is no outstanding balance under the revolving credit facility.

Borrowings under the Credit Agreement are secured by certain collateral of the Loan Parties and are guaranteed by the Guarantors, each of whom will derive substantial benefit from the revolving credit facility. In specified circumstances, additional guarantors are required to be added. The Credit Agreement contains various restrictive covenants subject to certain exceptions, including limitations on the Borrower’s ability to incur indebtedness and certain liens, make certain investments, become liable under contingent obligations in certain circumstances, make certain restricted payments, make certain dispositions within guidelines and limits, engage in certain affiliate transactions, alter its fundamental business or make certain fundamental changes, and requirements to maintain financial covenants, including maintaining a leverage ratio of no greater than 3.00 to 1.00 and maintaining a fixed charge coverage ratio of not less than 1.15 to 1.00.

The leverage ratio also determines pricing under the Credit Agreement. At the Borrower’s option, borrowings under the revolving credit facility accrue interest at a rate equal to either LIBOR or a specified base rate plus an applicable margin. The applicable margin is linked to the leverage ratio. The margins range from 2.00% to 2.50% per annum for LIBOR loans and 1.00% to 1.50% per annum for base rate loans. The revolving credit facility is subject to a commitment fee payable on the unused revolving credit facility commitments ranging from 0.25% to 0.35%, depending on the Borrower’s leverage ratio. The Borrower is also required to pay certain fees to the administrative agent and letter of credit issuers under the revolving credit facility. During the term of the revolving credit facility, the Borrower may borrow, repay and re-borrow amounts available under the revolving credit facility, subject to voluntary reductions of the swing line, letter of credit and revolving credit commitments.

In addition, the Credit Agreement includes events (including, without limitation, a non-payment under the loan, a breach of warranties and representations in any material respect, non-compliance with covenants by a loan party, cross-default for payment defaults and cross-acceleration for other defaults under material debt or a change of control) which, if not cured within the time period, if any, specified would constitute an event of default. Upon the occurrence of such events of default, the Borrower could not request borrowings and the lenders may elect to accelerate the outstanding principal and accrued and unpaid interest under the revolving credit facility. Further, outstanding principal and accrued and unpaid interest thereon automatically accelerate upon the entry of an order for relief with respect to any loan party under any bankruptcy, insolvency or other similar law.

The above summary of the Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under “Item 1.01 Entry into a Material Definitive Agreement” is incorporated herein by reference.
